

FlyCovered Annual UAS Insurance in respect of Liability only cover CERTIFICATE OF INSURANCE

Your certificate of insurance is an important document and evidence of **your UAS** insurance. Please check it carefully to ensure it meets **your** needs. A copy of **your certificate of insurance** and other documents are always available online in **your** FlyCovered account. It is suggested **you** print a copy of **your certificate of insurance** and that any **UAS operator** covered under this **policy** carry it with them when operating any **UAS** shown in the **schedule of UAS**.

Cover only applies where **you** and the **UAS operators** comply with the warranties shown in the 'Warranties applicable in the Policy' **section** of the FlyCovered UAS Annual Liability Only Insurance Policy Wording.

Your FlyCovered UAS Annual Liability Only Insurance Policy Wording covers the **UAS** specifically identified in Item 3 of this **certificate of insurance** on continuous basis for **your** legal liability to third parties only for the term of the **period of insurance** shown in Item 5 below.

All words and phrases appearing in bold in this **certificate of insurance** (other than headings) have the meanings shown in the Definitions section of **your** FlyCovered UAS Annual Liability Only Insurance Policy Wording.

Regulation (EC) No 785/2004 of the European Parliament

This **policy** provides the necessary coverage required, in accordance with Regulation (EC) No 785/2004 of the European Parliament and of the Council of 21 April 2004. The **insurer** will not be liable in any way if **you** fail to purchase insurance cover for the required limits of liability. For clarification, please contact the **administrator**.

Your attention is drawn to the IMPORTANT NOTES - CHANGE IN RISK INFORMATION at the end of this **certificate of insurance**.

IMPORTANT NOTES

Change in Risk Information

If:

- the information **you** have given the **insurer** in relation to the insurance provided under this **policy** changes; or
- there is any significant change in or variance of the risk(s);

before or during the **period of insurance** then the **insurer** needs to know as it may result in:

- the **insurer** applying different terms; and/or
- a claim not being paid (in whole or in part); and/or
- the **policy** no longer being suitable to meet **your** needs.

To enable the **insurer** to assess any such changes or variations in information and/or risks **you** must tell them as soon as is reasonably practicable of any such changes or variations. This can be done by advising the **insurer** via **your** FlyCovered account at <https://www.flycovered.com/drone> where **you** will require **your** account password, **your** postcode and **your** email address to log into **your** account, by telephone on 020 8059 8542 or by email to info@flycovered.com.

When notified of any change to information **you** have provided to the **insurer** they will inform **you** by email containing a revised **schedule**

and/or **certificate of insurance**, via the **administrator**, of their acceptance to the change. In addition, the **insurer** may require an adjustment to the premium and/or the **insurer** may amend the terms of this **policy**. However, should the change not be acceptable to the **insurer**, they may cancel this **policy** in accordance with the cancellation provisions detailed in the Insurer's Right to Cancel section of this **policy**.

Please note that any change in circumstances may be subject to a charge levied by the **administrator**. Any charges levied by the **administrator** will be in accordance with the terms and conditions agreed between **you** and them at the time **you** purchased this **policy**.
